Congratulations to our Board. Our Board members reflect the talent and leadership of the amazing women who comprise the Junior League's powerful force of trained volunteers, making an impact daily in our city for the promotion of children's education.

Revenue generated from The Junior League of New Orleans fundraisers will go towards the projects and activities JLNO supports with financial resources and volunteer hours in our organization's focus area of children's education. JLNO has established numerous programs for children, and we are currently involved in such programs as Samuel J. Green Charter School, Lafayette Academy Charter School, KidSmART Plate Project, Rebuilding Together, Safe Sitter and SoFAB/Kids in the Kitchen. With a membership of over 2,000 women, we have been involved in over 100 different community projects, contributed more than \$5,000,000 to our community, and donated over 2,000,000 hours of volunteer time. JLNO has been instrumental in creating The Parenting Center at Children's Hospital, The Preservation Resource Center of New Orleans, The Louisiana Nature and Science Center, The Holman Vocational Center, and Teen Court.
