WHY VOLUNTEER

It's Easy to Make a Difference.

Would you like to volunteer individually or with a group at the JLNO Diaper Bank? Typical volunteer sessions last 2-3 hours, and involve counting, sorting, and wrapping diapers, period or adult incontinence products.

We CANNOT provide these basic necessities without you! We promise that each volunteer experience is meaningful, impactful, and relevant for everyone. Our volunteer shifts are structured with intention so that you leave knowing that you've truly made a difference.

During our volunteer opportunities, you can expect:

- A brief update detailing the impact of product need
- Training every shift, to acclimate first-timers and refresh seasoned volunteers
- Wrapping, organizing, and packing products is a great team-building exercise!
- A debriefing at the end to convey the number of individuals who benefited from your service
