

# Donate Here!

## Thank you for helping families from the bottom up!

In the U.S., 1 in 3 mothers cannot provide clean, dry diapers for her baby. Supporting the **Junior League of New Orleans Diaper Bank** keeps babies healthy and alleviates stress for those that care for them.

Your diaper donations should meet the following guidelines:

Unused disposable diapers can be of any type, size, and brand. They can also be open packages.

All diaper sizes are welcome, including disposable training pants.

Please label diapers with the size if they are not donated in their original packaging.

Unopened unused wipes and diaper creams are also appreciated.

Please note that we cannot accept cloth diapers. This is a disposable diaper collection only.

If you need diapers, please contact one of our distribution partners listed at [www.jlno.org/diaperdistribution](http://www.jlno.org/diaperdistribution).

If this bin is full, please contact the JLNO Diaper Bank at **504-891-5845** or [diaperbank@jlno.org](mailto:diaperbank@jlno.org).
