

Get on Board

Leaders of nonprofit organizations must maximize resources, fundraise, plan for sustainability, and strategically partner for success. Those working diligently to improve our region face enormous challenges and seek energetic, talented, and qualified leaders. On September 7th, 2019 the Junior League of New Orleans will lead the way to excellence in nonprofit governance.

Started in 2008, JLNO's Get on Board is a full day workshop providing knowledge and skills to current board and staff members and those that wish to serve on a nonprofit board. The Association of Junior Leagues International (AJLI) awarded JLNO its [Community Impact Award](#) for Get on Board, and over 600 individuals have received Get on Board training and placement with over 70 nonprofit organizations.

Through engaging presentations from nonprofit experts and interactive role-playing, participants learn a board member's responsibilities and how these responsibilities relate to others within the organization.

- financial policies and fiduciary duties
- legal considerations
- meeting and committee management
- strategic planning
- effective leadership development
- fundraising

Participants will gain increased competence and confidence to develop and maintain a well-run nonprofit organization. Upon successful completion of the course, JLNO can match participants with a local nonprofit for board of director's position or a board internship.

Sponsorship Opportunities:

Your organization can elect one of the following unique sponsorship opportunities to help train New Orleans' next generation of board leaders.

Gold Sponsor

\$2,500

- Logo on course materials, flyers, signage at the event, and print advertisements
